HR13-MENTAL ANGUISH-A SHOT IN THE DARK-C-60-$5 P.P.D.in U.S.A.

Third cassette release by the accomplished,strange,ominous electronic group Mental Anguish.Loads & loads of loud nasty percussion,dirty rythmns, layered synthesizers,garbled vocals & such make this one of the wildest excursions in sound & electronics I've ever laid my ears on.Watch out for the"Big Bug"crawling down your "Lonely Streets".

HR12-SKOPTZIES-ON THE EDGE OF INSANITY-C-90-$7 P.P.D.in U.S.A.

The final tape in the history of the SKOPTZIES,& their best studio work done specifically for Harsh Reality before their untimely break up.The SKOPTZIES were one of the finest purveyors of savagery & austerity in their works & live performances.A good combination of the styles of music that the SKOPTZIES mastered.

HR11-KONSTRUKTIVITS-SPANISH MOVEMENT'S-C-90-$7 P.P.D.in U.S.A.

This is the second release on HARSH REALITY by the KONSTRUKTIVITS,who are one of Englands leading experimental electronic music groups.Much more intense than their PSYKO-GENETIKA 2 cassette.One of the best layering of keyboards that i've ever experienced.Hard hitting & sure to please.Very atmospheric synthesizer swirls amid a much different style.

HR10-MENTAL ANGUISH-OVER THE BORDER-C-60-$5 P.P.D.in U.S.A.

This is the second release by MENTAL ANGUISH.Much different than their first release.Full of found sounds,tape collages,and an excellent layering of synthesizers throughout the twelve tracks included.A fine improvement of sound compared to their first metal percussion,chainsaw,machine tape.

HR09-SKOPTZIES-WAIT TILL THE DRUGS KICK IN-C-60-$5 P.P.D.in U.S.A.

This is the third studio cassette release by the ever changing versatile SKOPTZIES.On this tape the SKOPTZIES play within a very wide range of styles Some pretty jazzy,discoish,even a little rockabilly & funk,with traces of neo-psychedelia in their polished E.M.A good example of the interesting music that the SKOPTZIES play.Includes two live cuts,plus a guest appearance by Milfred Thompson of MODIFIERS fame.

HR22-VIKTIMIZED KARCASS-ATROCITY SLAUGHTER-C-60-$5 P.P.D.in U.S.A.
This tape is the KARCASS's follow up to their first release HR19.More explorations of that hard edged industrial,experimental music,plus further delving into psychedelia,KARCASS provide the listener with some hard hitting powerful rythmns,dirge,& some outstandingly powerfull songs.Kind of reminds one of Swans meets Birthday Party meets Einstuzende Neubaten meets 400 Blows. Definitely a fine ear enhancer.

HR21-CANCEROUS GROWTH-BOUND TO DIE-C-60-$5 P.P.D.in U.S.A.
This is the first release by CANCEROUS GROWTH,one of Harsh Reality's newer recording artists,& their debut release is one of the finest examples of experimental electronic music to date.These people churn out some excellent mind expanding music that literally smokes.Includes "March of the Tumours", "Seizure"&"Devil Spawn",to name a few of the tracs.A very fine tape.I can only wait & see what C.G.spews out next from the circle of madmen.

HR20-MENTAL ANGUISH-HELL HOLE-C-60-$5 P.P.D.in U.S.A.
The 4th release by one of Harsh Realitys first recording artists,MENTAL ANGUISH.Every release that MENTAL ANGUISH issues are so different in sound.This one combines an outstanding layering of synthesizers with pounding rythmns,tribal percussion,tape collage,& found sounds.At times very soothing & at other stages very harsh &demanding.Includes a guest appearance on"He's Harmless"&"Hell Hole" by the VIKTIMIZED KARCASS's drummer.One hell of a cassette.

HR19-VIKTIMIZED KARCASS-A MATTER OF PRINCIPLE-C-60-$5 P.P.D.
The debut cassette release by Memphis's kings of noise,VIKTIMIZED KARCASS is simply out of sight.Nine ear catching tunes guaranteed to destroy your senses.Harsh Reality is very proud to have these distinguished artists first tape in this catalog.Somewhat different than HR22,somewhat the same.Again very powerfull & hard hitting.Watch for the KARCASS,as they may prove to be a domineering factor in experimental music.Includes"Time to Kill","Love Song",&"Crazy"plus six more.A strong debut release.

HR18-R.S.V.P.-ESCAPE FROM FATE-C-60-$5 P.P.D.in U.S.A.$6 overseas
The one and only release by R.S.V.P.whom have since gone separate ways. To bad as the tracs that they layed down for this tape are dynamite & R.S.V.P.could have only gotten better as they progressed.Very noisy with some hard hitting rythmns.Worth the price if only purchased for the cuts "Madman Rules"&"Something in the Horizon".R,S.V.P.shall be missed.

HR17-ETERNAL CONCESSIONS-CLEANEST ROOMS-C-45-$4.50 P.P.D.in U.S.A.
What would one have if one of theSKOPTZIES got together with one of the VIKTIMIZED KARCASS's & MYSTERY HEARSAY joined in the melee.Well you would have ETERNAL CONCESSIONS.One can only imagine what type of sounds would take place.This is the tape of what happened,four madness inspired long playing tunes titled"Autofixia","Short of Faithfull","Subordinate Males", &"Sex Ghouls".What else can I say except try it on your ears.

HEY DONT HESITATE TO WRITE THE FINE LABELS THAT CARRY OUR PRODUCT!!
